Dear Miranda, Dennis, Garen, Rick:

I wanted to let you know that we will be submitting the database a bit late for the SP/SPII joint renewal. The existing data was received much later than requested, and required a lot more updating than anticipated. We are also still waiting for the current SP and SPII assessment rolls for 2016 - I requested them again today. Jessica has asked staff to forward it, and has also confirmed that there will be no increases for either BID in 2017.

We are working hard to get the database done asap, and hope to complete it within a week. I'll keep you posted on any delays.

Hope you are all well, and thanks!

Warmest regards,

We've had a week of progress, but are still awaiting the current/corrected assessment roll. Jessica and staff are on it and we expect it soon.

I'll keep you posted.
